

CRSU Apps

Detailed Funding Statement

The CRSU suite of evidence synthesis apps are currently overseen and (majority) funded by the **Evidence Synthesis Group @ CRSU** (NIHR153934).

Additional funding and support, current and past, is documented below.

As all the apps include developers based in the department of Population Health Sciences, University of Leicester, they are all supported by the National Institute for Health and Care Research (**NIHR**) **Applied Research Collaboration East Midlands (ARC EM)** and **Leicester NIHR Biomedical Research Centre (BRC)**.
